

JMS CATTLEMEN'S ASSOCIATION AGRICULTURAL
SCHOLARSHIP 2nd Year Application - 2018

For Jackson, Macon, and Swain County First-Year College Students
Intending to Major in Agriculture-Related Fields

The Jackson, Macon, and Swain Counties Cattleman's Association was established in February of 2000. The purpose of the Association is to promote livestock and agricultural interests in Jackson, Macon, and Swain counties. In order to further this purpose the Association will offer up to three \$500 scholarships to aid **first-year** College students enrolled in livestock, agriculture, or forestry-related studies. The Association may award these three scholarships of \$500 per year to any student within the three county areas. Students entering college to study animal science, livestock production, agriculture education, or veterinary medicine will be given priority. Students entering any agricultural or forestry related field of study which includes *General Education* transfer courses will be considered. **These scholarships may be renewed by recipients of previous year Scholarship awards as long as recipient is still in College and maintaining passing grades. Preference will be given to the first year College student with the above said guidelines followed.** The Scholarship is derived from association funds and donations specified for educational purposes.

Applications and supporting letters and documents must be postmarked by **April 28**

Mail all completed applications to **JMS Cattlemen's Association – 366 Skeenah Road – Franklin, N.C. 28734.**

All sections of the application must be completed. Failure to complete all components will render the application ineligible.

With signature of application the applicant agrees to provide a written or oral report at the end of their first year of college to the JMS cattlemen's association describing courses taken and grades received and/or if 2nd year applicant a second report will follow at the end of their year of study that they receive the 2nd funding in.
